Purpose of Information Statement

Urovant Sciences Ltd., an exempted limited company incorporated under the laws of Bermuda (the "Company," "we," "our," or "us"), is sending you this Information Statement solely for purposes of informing our shareholders of record as of December 30, 2019 (the "Record Date") of the action taken by the written consent of shareholders representing more than a majority of our issued and outstanding common shares. No action is requested or required on your part.

In accordance with Rule 14c-2 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the shareholder action taken by written consent will become effective no earlier than 20 calendar days after the date on which this Information Statement is mailed to our shareholders. This Information Statement is first being mailed on or about January 7, 2020 to the Company's shareholders of record as of the Record Date.

General Overview of Action

For the reasons discussed in this Information Statement, on December 22, 2019, our Board of Directors (the "Board") approved the amendment and restatement of the Company's Amended and Restated Bye-laws (as so amended and restated, the "Amended Bye-laws") as described herein. Following such approval, on January 7, 2020, Sumitovant Biopharma Ltd. ("Sumitovant"), the holder of approximately 74.9% of our issued and outstanding common shares as of the Record Date, which also represents a majority of our issued and outstanding common shares as of the date we are first mailing this Information Statement to our shareholders, approved the Amended Bye-laws by written consent (the "Written Consent").

Such Written Consent, together with the approval of our Board, is sufficient under our current Amended and Restated Bye-laws (the "Current Bye-laws") to approve the Amended Bye-laws. Accordingly, approval of our Amended Bye-laws will not be submitted to our other shareholders for their consent or for their vote at a general meeting of our shareholders. This Information Statement is being provided solely for your information, and also serves the purpose of informing shareholders of the matters described herein pursuant to Section 14(c) of the Exchange Act and the rules and regulations prescribed thereunder, including Regulation 14C.

The Amended Bye-laws and the Written Consent are attached as [Exhibit A](#) and [Exhibit B](#), respectively, to this Information Statement.

Voting, Vote Required and Consenting Shareholder

Pursuant to the Current Bye-laws, any action required or permitted to be taken at a meeting of the shareholders may be taken without a meeting, with prior notice, if a consent or consents in writing, setting forth the action so taken, shall be circulated to all shareholders who would be entitled to attend a meeting and vote thereon and is signed by the holders of issued and outstanding common shares who, at the date such notice is given, represent a majority of votes as would be required to authorize or take such action at a meeting at which all shares entitled to attend and vote thereat were present and voting.

[Table of Contents](#)

Pursuant to the Current Bye-laws, approval of the Amended Bye-laws as described in this Information Statement at a meeting of our shareholders would require the affirmative vote of a majority of the aggregate voting rights of the issued and outstanding common shares entitled to vote thereon and voting at such meeting.

As of the Record Date, there were 30,519,688 common shares issued and outstanding. By a written consent dated January 7, 2020, Sumitovant, who held 22,860,013 of our common shares, or approximately 74.9% of our issued and outstanding common shares as of the Record Date, which also represents a majority of our issued and outstanding common shares as of the date we are first mailing this Information Statement to our shareholders, approved the Amended Bye-laws. Accordingly, the Written Consent was executed by shareholders holding sufficient voting power to approve the Amended Bye-laws as contemplated therein and no further shareholder action is required.

Dissenters' Rights of Appraisal

Under Bermuda law, holders of our common shares are not entitled to dissenters' rights of appraisal with respect to the approval of the Amended Bye-laws. Holders of our common shares are generally entitled to one vote per share on all matters submitted to a vote of holders of common shares.

AMENDMENT AND RESTATEMENT OF THE COMPANY'S AMENDED AND RESTATED BYE-LAWS

Overview

On October 31, 2019, Roivant Sciences Ltd., our majority shareholder as of such date ("Roivant"), entered into a definitive transaction agreement (the "Transaction Agreement") with Sumitomo Dainippon Pharma Co., Ltd. ("DSP") and certain of Roivant's affiliates. Pursuant to the Transaction Agreement, among other things, Roivant agreed to: (i) contribute all 22,860,013 of the Company's common shares held by Roivant to Sumitovant, which was a wholly-owned subsidiary of Roivant as of such date; and (ii) subsequent to such contribution, transfer all issued and outstanding shares of Sumitovant to DSP (such transaction, the "DSP Transaction"). On December 27, 2019, DSP, Sumitovant and Roivant consummated the DSP Transaction, pursuant to which Sumitovant became the holder of 22,860,013 of the Company's common shares.

In connection with the execution of the Transaction Agreement, we entered into a Letter Agreement, dated October 31, 2019, with DSP (the "Letter Agreement") pursuant to which, among other things: (i) DSP committed to provide us with a low-interest, interest-only, five-year term loan facility; (ii) the parties agreed to enter into an investor rights agreement that would provide DSP with customary registration and information rights and provide our minority shareholders certain protections outlined therein; and (iii) our Board agreed to approve an amendment to the Current Bye-laws that would transfer Roivant's right thereunder to appoint two directors to the Board (each of whom have three votes on all matters presented to the Board), as well as certain other rights, to DSP. The foregoing description of the Letter Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Letter Agreement, which was attached as Exhibit 10.1 to our Current Report on Form 8-K, which we filed with the Securities and Exchange Commission (the "SEC") on October 31, 2019.

After our entry into the Letter Agreement, our management caused the Amended Bye-laws to be prepared and presented them to the Board for its consideration. On December 22, 2019, the Board approved the adoption of the Amended Bye-laws, subject to the approval of such Amended Bye-laws by holders of a majority of the aggregate voting rights of our issued and outstanding common shares entitled to vote thereon. Subsequent to the Board's approval of the Amended Bye-laws and following consummation of the DSP Transaction, on January 7, 2020, Sumitovant executed the Written Consent approving the adoption of the Amended Bye-laws, effective upon the filing of this Information Statement and the expiration of the applicable notice periods pursuant to Rule 14c-2 promulgated under the Exchange Act.

Description of the Amended Bye-laws

The Amended Bye-laws approved by a resolution of our Board and by Written Consent of Sumitovant, as described above, will revise the Current Bye-laws to, among other things:

- transfer Roivant's right under the Current Bye-laws to (i) appoint two directors to the Board (each of whom have three votes on all matters presented to the Board (such directors, the "Designated Directors")) and (ii) remove and replace each such Designated Director as desired, to DSP;
- grant the Designated Directors appointed by DSP the right to join any committees of the Board, subject to any requirement that a committee must be comprised of a certain number of independent directors pursuant to applicable laws or stock exchange listing rules;
- provide that DSP's right to appoint Designated Directors and the Designated Directors' right to join committees of the Board will terminate when DSP ceases to hold at least a majority (rather than 25%) of the aggregate voting rights attached to our issued and outstanding common shares;
- increase the beneficial ownership threshold for shareholders' eligibility (i) to propose business to be considered at a meeting of our shareholders or (ii) to nominate a director for election to our Board from 3% to 5% of the aggregate voting rights of our issued and outstanding common shares; and

[Table of Contents](#)

- decrease the shareholder voting threshold for approving the merger or amalgamation of the Company into another entity (except with respect to certain business combinations with interested shareholders) from 75% to 66 2/3% of the aggregate voting rights of our issued and outstanding common shares.

The Amended Bye-laws will not become effective until January 27, 2020, the date that is 20 calendar days after the date on which this Information Statement is first mailed to our shareholders.

The foregoing description of the Amended Bye-laws does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended Bye-laws, a copy of which is attached to this Information Statement as Exhibit A, with additions of text indicated by underlining and deletions of text indicated by strike-outs, in each case as compared to the Current Bye-laws.

Purpose and Effect of the Amended Bye-laws

The Amended Bye-laws were approved primarily to transfer Roivant's right to appoint two Designated Directors pursuant to our Current Bye-laws to DSP in connection with DSP's acquisition of beneficial ownership over all of our common shares previously held by Roivant as a result of the DSP Transaction. Immediately prior to the consummation of the DSP Transaction, Roivant beneficially owned 22,860,013 of our common shares. In addition, under our Current Bye-laws, Roivant had the right to appoint two Designated Directors, each of whom possessed three votes on all matters presented to the Board, for so long as Roivant held at least 25% of the voting rights of our issued and outstanding common shares. Moreover, the Designated Directors appointed by Roivant were entitled to designate themselves as members of any committee of the Board, subject to any requirement that a committee must be comprised of a certain number of independent directors pursuant to applicable laws or stock exchange listing rules.

In addition, and as described in the section titled "Description of the Amended Bye-laws" above, the Amended Bye-laws include an increased beneficial ownership threshold for shareholders' eligibility to propose business to be considered at a shareholders meeting or nominate a director for election to the Board. The Board believes this increased threshold is appropriate given the composition of our stockholders and serves to ensure that any proposed business or nominated directors represents the best interests of our long-term shareholders. The Amended Bye-laws also decrease the shareholder voting threshold for approval of business combinations (other than those with interested shareholders) to 66 2/3% of the aggregate voting rights of our issued and outstanding shares, allowing us greater flexibility to facilitate approval of strategic business combinations that may be attractive to all of our shareholders.

As described in the section titled "Overview" above, DSP, Sumitovant and Roivant have consummated the DSP Transaction, pursuant to which, among other things, DSP acquired beneficial ownership of all of our common shares previously held by Roivant. Thus, upon the consummation of the DSP Transaction, Roivant ceased to hold any of our common shares, and DSP became the beneficial owner of 22,860,013 of our common shares. In connection with the closing of the DSP Transaction, our Board and Sumitovant approved the Amended Bye-laws to transfer the aforementioned rights previously held by Roivant to DSP, for so long as DSP holds at least a majority of the voting rights attached to our issued and outstanding common shares.

CHANGE OF CONTROL

Upon the consummation of the DSP Transaction on December 27, 2019, (i) Sumitovant directly acquired 22,860,013 common shares of the Company, which represents more than a majority of all issued and outstanding common shares of the Company as of the Record Date, as a result of Roivant's contribution of such shares to Sumitovant; (ii) DSP acquired indirect beneficial ownership of the 22,860,013 common shares of the Company directly held by Sumitovant as a result of its acquisition of all issued and outstanding equity securities of Sumitovant from Roivant; and (iii) Roivant no longer beneficially owns any common shares of the Company.

Because DSP's acquisition of common shares of the Company owned by Roivant represented only one component of the transactions contemplated by the Transaction Agreement, the parties to the Transaction Agreement did not indicate or assign a specific consideration amount with respect to DSP's acquisition of control of the Company from Roivant.

Pursuant to the Transaction Agreement, DSP and Roivant agreed that, prior to the closing of the DSP Transaction, Roivant would use its authority pursuant to bye-laws 38 and 41 of the Current Bye-laws to replace any Designated Director appointed by Roivant with candidates chosen by DSP. Accordingly, effective December 27, 2019, Mr. Frank M. Torti, M.D., a Designated Director previously appointed by Roivant, resigned as a director pursuant to a notice delivered to the Company in accordance with bye-law 41.1(d) of the Current Bye-laws. Following the resignation of Mr. Torti, Roivant delivered a notice to the Company in accordance with bye-law 38.4 of the Current Bye-laws designating Dr. Shigeyuki Nishinaka to serve as a Designated Director until a replacement is designated and qualified or his earlier resignation or removal in accordance with the Current Bye-laws. Pursuant to bye-law 38.4 of the Current Bye-laws, Dr. Shigeyuki Nishinaka became a director of the Company upon the delivery of such notice, without the need for any further approval by the Board or the shareholders of the Company.

INTERESTS OF CERTAIN PERSONS ON MATTERS TO BE ACTED UPON

None of the persons who have served as our officers or directors since the beginning of our last fiscal year, or any associates of such persons, have any substantial interest, direct or indirect, in the adoption of the Amended Bye-laws, other than as set forth below and other than the interests held by such persons through their respective beneficial ownership of our common shares set forth below in the section entitled "Security Ownership of Certain Beneficial Owners and Management."

Ms. Myrtle S. Potter and Dr. Shigeyuki Nishinaka will each be designated to serve on our Board of Directors by DSP and, as such, will have the rights of a Designated Director pursuant to the Amended Bye-laws as described above for so long as DSP holds at least a majority of the voting rights of our issued and outstanding shares, including three votes on all matters presented to the Board and the right to designate themselves as members of any committee of the Board, subject to any requirement that a committee must be comprised of a certain number of independent directors pursuant to applicable laws or stock exchange listing rules.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our common shares as of December 30, 2019 by:

- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common shares;
- each of our named executive officers as identified in the summary compensation table contained in our Definitive Proxy Statement on Schedule 14A filed with the SEC on July 29, 2019;
- each of our directors; and
- all of our current executive officers and directors as a group.

The percentage ownership information is based upon 30,519,688 of our common shares outstanding as of December 30, 2019.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include common shares issuable pursuant to the exercise of options that are either currently exercisable or exercisable within 60 days after December 30, 2019. These shares are deemed to be outstanding and beneficially owned by the person holding those options for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.
